Warren and Richmond County...

Bridge maintenance project moves to I-20 locations

What: The \$1.1 million bridge preservation project calls for temporary weekday Interstate 20 single lane closures around four Warren County structures. The contractor will also finish work items on Interstate 520 (Bobby Jones Expressway) bridges Friday through Sunday at various times.

The traveling public should be aware of project personnel and heavy equipment moving close to the travel lanes.

Overall, this project consists of bridge preservation work on four bridge structures on I-520 in Richmond County and four bridge structures on I-20 in Warren County. The preservation involves co-polymer overlay of the bridge decks and joint replacements. Bridge Masters Construction, LLC. was awarded the contract with a July 31, 2016 completion date.

Richmond County I-520 structures included:

- State Route (SR) 56
- I-520 over SR 121(US 25)
- I-520 over Louisville Road
- Richmond Hill Road

Warren County I-20 structures included:

- I-20 eastbound over SR 12/CSX railroad
- I-20 westbound over SR 12/CSX railroad
- I-20 eastbound over CSX railroad
- I-20 westbound over CSX railroad

When: The contractor will work from 6 a.m. to 5 p.m. at the various Warren County I-20 bridges Mondays through Thursdays until complete. Richmond County weekend work is scheduled for Friday through Sunday as well.
